

TAG Objective: **Seatbelt Use**

Purpose: to endorse and enforce mandatory seat belt use in order to reduce serious injuries and fatalities.

Practice:

1. Develop safety program policy regarding use of seatbelts when hauling logs.
2. Communicate the policy to contractors and staff.
3. Implement the policy via managers, supervisors, road safety compliance officers ect.
4. Track and report on compliance via managers, supervisors, RSCO and incident reporting.
5. Develop training/education tools for staff and contractors.
 - Effective implementation and communication
 - Implications/risk/hazard of non-compliance including injury or death
